Product highlights

Flexible PVC Jacket
Flexible PVC jacket provides protection to the delicate core of the cable. It also offers extended durability and ease of installation.

Lead-free construction
Lead-free construction of environmentally friendly materials.

Rubber strain relief
Rubber strain relief provides a secure yet flexible juncture between the cable and the plug.

Braided shielding
Copper-braided reinforced aluminium shielding protects against signal loss and interference.

Easy grip
This non-slip grip makes connecting your components easy and ergonomically comfortable.

Plug and play
Plug and play offers easy installation of components without time-consuming installations.

Metal shell
The metal shell protects the internal connection of the cable. It ensures durability and reliability of your connection.

24 carat gold-plated connector
24 carat gold-plated connectors ensure the best signal quality for your components.

High-purity copper
This copper conductor provides high accuracy in signal transfer with minimal resistance.
